Fasting on Yom Kippur – a Service for the Community

For anyone on medications which cannot be missed, fasting on Yom Kippur can present major problems. Can I miss my medications for one day? Can I take additional medications before the fast and/or after the fast to make up for medications not taken on the fast? If I must take medications, can I take them without food or liquids? What if my tablets can only be taken with food? Is there a substitute? Alternatively, I have medical issues that make fasting a problem, including pregnancy-related complications. There will be a consultation session with **Rabbi Dovid Cohn** together with General Practitioner **Dr Yossi Adler**, at 33 Boyne Avenue on SUNDAY 9 OCTOBER 8.00pm to 9.30pm. Preference will be given to those who come in person. Telephone calls will be answered in strict rotation on **020 8202 7838**. If you can't get through leave a message and you will receive a call back. Please have at hand details of all medications that you may be taking. *(This is a North Hendon initiative available to the wider community)*
