GDPR Update & Charity Appeals

The revised General Data Protection Regulations are now a year old. You may see the Shul's Data Privacy policy on our Shul website. This gives notice that the data held on members of the Shul can only be used for legitimate Shul business which includes members' Simchos.

We do not provide any details of members to third parties outside the Shul. We are also asked, from time to time, to publicise genuine appeals for fund raising - be it through events or sponsorships - by means of emails or posters in shul. We regret that this is not possible. This is not because any charity is not worthy, but, simply, we would be overwhelmed with requests if we relaxed this policy
