1. male lamb - aged between 8 days and 1 year.
2. male bull - aged between 1 year and 3 years.
3. male ram - aged between 1 year 31 days and 2 years.
4. male goat - aged between 8 days and 1 year.
5. Olah - entirely burnt on the Mizbeach.
6. Chatos - some innards burnt on the Mizbeach; meat eaten by the Kohanim on duty.
7. Shelomim - some innards burnt on the Mizbeach; meat eaten by the Korban Pesach group
(this is unusual for a Shelomim, which is usually shared with the Kohanim too).
8. many individuals would bring a Korban Chagigah on Erev Pesach, in addition to their Korban Pesach.
9. throughout the Yom Tov, people would bring their Korban Chagigah, Olas Re'iyah and Shalmei Simchah too.
10. on the 16th of Nissan each year, an additional korban of a lamb was offered together with the Korban Omer.
11. on Shovuos, additional korbanos accompanied the Shetei Halechem, as detailed in Emor.
12. on Yom HaKippurim, other korbanos were also brought by the Kohen Gadol, as detailed in Acharei Mos.
