### Tell me more!

**Children's Service:** Geared for children over five, sing your way through an abridged version of Shabbos davening. Compete to see whether you will be one of the weekly Tefilah Stars: children are chosen for excellent davening and effort. CS concludes with a presentation for recent Tefilah Star winners and 'What's in the box?' - A Parasha based quiz.

**Toddlers' Service:** Aimed at our under-fives, join us for Shabbos songs, stories, games and raffle!

**Children's Kiddush:** Suitable for all children, enjoy a sweet treat or two! You are welcome to say Kiddush or one of the brochos. CK ends with a Dvar Torah from a child or an adult. If you would like to speak, please let us know!

### Prizes! Prizes! Prizes!

Every Shabbos Mevorachim (Shabbos before Rosh Chodesh) CS and CK run a prize draw with three guaranteed winners. To be in with a chance to win, you need to earn raffle tokens by taking part in CS or CK. In addition TS runs its own raffle every session!

We look forward to seeing you!
