## FROM THE TREASURER & THE SECRETARY

At this time of year we are already making some forward planning for the end of the Financial Year on 31 August and for the Yomim Noraim. We would therefore like to bring the following points to members attention:-

<b>1. PAYMENTS</b>	We would request all members to ensure that their accounts with the Shul are settled as soon as possible. We are certainly aware that some members may find it difficult to pay off their accounts in one go. One alternative is to arrange a Direct Debit/Standing Order from a bank account, under Gift Aid. David Segal will be pleased to discuss such an arrangement. <i>Members experiencing financial difficulties should please speak to the Treasurer regarding their Membership payments.</i>
<b>2. BURIAL SOCIETY</b>	Members will have received up-to-date Statements. As the Shul has already laid out most of the amounts due, early settlement will be appreciated.
<b>3. SEATING</b>	Members who have not been allocated seats or who wish to move their seats are requested to discuss their seating requirements with the Secretary as soon as possible after the holidays. Those members hosting guests are reminded that it is usual for visitors to make a payment for the use of seats on Rosh Hashonoh and/or Yom Kippur. <i>We are also reminding ladies that we have seats available in the front/second rows for those who wish to take up a better seat. Please speak to the Secretary.</i>

## FROM THE PAST – by Gershon Hepner

Reb Moische Katzenberg zichrono livecho was a founder member and pioneer of the Shul. When he saw his Shul ablaze in Germany on Kristallnacht, he undertook to establish a Shul at some time in the future. Among his many talents, he was a first class Ba'al Tefillo and Ba'al Kerio. When I was about fourteen years old, I leined Parshas Shemos and made an awful mess of it. I received many reproachful looks and disparaging remarks about not having prepared properly, and was resolved to never lein again. Reb Moische Katzenberg came up to me, praised me to the skies about the wonderful leining, reassured me that it was fine, and that although there had been a few mistakes here and there, next time I would be even better! I broke my resolution! *Gershon will be leining Parshas Shoftim at both Services*
