Many thanks to family Greenberg who put in a lot of time and effort to ensure the success of the event, as well as to everyone else who helped in advance and on the day.

When do we lein Mattos & Massei separately?

Most double Sedras are leined separately in a leap year. Whether Mattos and Massei are read separately even in a leap year is governed by the need to lein Devorim on the Shabbos before Tisha B'av. So even in a leap year Mattos and Massei can be leined together. In Eretz Yisroel there is an additional problem which is that their last (7th) day of Pesach can be on a Friday whereas in Chutz La'aretz our last (8th) day is on Shabbos. So they need an extra Sedra for the summer. In recent leap years/future years covering a total of 40 years they have been read apart as follows: (For Chutz La'aretz – underlined) 1995 (5755), 2005 (5765), 2008 (5768), 2011 (5771), 2014 (5774), 2016 (5776), 2019 (5779), 2022 (5782), 2035 (5795). There are various different permutations to these years and there is no definitive pattern.
