## Shul Succa

We would like to point out that the Shul Succa will be available for use by anyone who wishes to avail themselves of the facility, normally after services but also at other times by prior arrangement. When raising or lowering the roof sections, please ensure that this is done in the correct sequence of sections.

## Thank You

A special thank you to all those in the Shul who helped make the running of the Shul so smooth over the Yomim Noraim. It was quite a team effort and we are pleased that everything went so well. A special thank you to the Rav for his sermons and the Shabbos Shuva drosha and for dealing with all the questions about fasting. Also special thanks to Tolly Rose - and the other Ba'alei Tefilla - for the inspiring davening. It is generally agreed that the "ruach" in Shul was unique so much so that one of our visitors has converted their visit into a membership. We tried to give everyone an Aliya or a Pesicha. If you were inadvertently missed out, please let us know.
