HAVE YOU ANY SPARE SPECTACLES?

If you can't read this you probably need to be wearing glasses! Have you ever come to Shul and find that you have forgotten your glasses at home or you have forgotten to bring your reading glasses to Shul before Shabbos? We want to start a collection of spare glasses of any strength to help you in your predicament. If you have any old, spare, glasses at home in wearable condition - for gentlemen and ladies - that you don't mind giving away, please pass them to Hersh Ashrae in Shul or at his home 18 Holders Hill Drive.

HEATING

The Board has arranged for the heating system in the shul to be overhauled and maintained. This should mean that the heating system will become more reliable. The only work which we are still looking at is to replace some of the thermostats which are not as reliable as they could be. The main thing that you should notice is that the entrance way and the beis hamedrash will now be significantly warmer.
