We do not usually send Mazal Tov announcements by e-mail, but we do post Mazal Tavs on the Bulletin Board. All you need to do is click in the "Get e-mail" box on the right hand top corner of the individual pages, and each insertion will be forwarded to you as an e-mail. ## WHICH SEDRA IS READ THIS WEEK?

.For the first time in fourteen years, Erev Pesach this year was on Friday. This means that when we were celebrating the 8<sup>th</sup> day of Pesach, in Eretz Yisrael they were leining Shemini. So we are now one week behind. We will rejoin Israel when they lein Behar and Bechukosay separately and we lein them together. This is done so that Bamidbar is leined (as always) before Shavuos. But the question arises as to why Israel did not separate Tazria-Metzora or Acharay-Kedoshim rather than Behar-Bechukosay. The answer appears to be that Tazria-Metzora and Acharay-Kedoshim have similar content whereas Behar-Bechukosay are quite different and only joined for convenience. By the way, Friday Erev Pesach will occur again in 5775, 5776, 5778, 5779 and 5782!
