#### SERVICES TO THE COMMUNITY - Misaskim 0300 111 0 333

A few weeks ago, a flyer was delivered to the Shul which read "Misaskim is coming". What exactly are "Misaskim"? Founded in New York in 2004, the organisation has branches in a number of cities including Manchester and now NW London. It was founded to provide assistance in times of bereavement, crisis and tragedy; to care for the deceased, assisting the bereaved together with the Chevra Kadisha, provide Shemira ("vaching") for the body, deliver items required for the Shiva and offer personal moral support. Only last week, Misaskim in Manchester were involved in a case of an unexpected death where there was no reason for the person to go into cardiac arrest. The hospital authorities were adamant that an autopsy would have to be performed. An MRI, checked by neurosurgeons, were inconclusive and the family feared the worse. With the help of Misaskim, a resolution was found which satisfied the coroner and Halochah.
